mico
microwave cookware

Model No.

511649

Description

Mico Eggs

Key USP

Create a microwavable snack that's as tasty as conventional poached or fried eggs. Unique polymer technology cooks the eggs by warming up the metal plate inside. Enjoy at home or on-the-go with the Mico range of microwavable snack cookware.

Additional features

- Cool-touch silicone lid and handles
- 2 egg pods
- Egg cracker
- Create a delicious fried or poached egg in just 3 minutes
