smart ideas for your home

**mico**  
microwave cookware

Model No. 511648

Description Mico Potato

Key USP Create a microwavable snack that's as tasty as a conventional jacket potato. Unique polymer technology cooks the potato by warming up the metal plate inside. Enjoy at home or on-the-go with the Mico range of microwavable snack cookware.

Additional features

- Cool-touch silicone
- Easy to clean
- Make a delicious jacket potato in just 10 minutes

EAN: 5011832058911
