mico
microwave COOKWARE

Model No. 511647

Description Mico Toastie

Key USP Create a microwavable snack that's as tasty as a conventional toastie. Unique polymer technology cooks the toastie by warming up the metal plate inside. Enjoy at home or on-the-go with the Mico range of microwavable snack cookware.

Additional features

- Cool-touch silicone
- 2 sided clasp
- Easy to clean
- Make a delicious toastie in just 5 minutes

EAN: - 5011832058904
