

Verve Filtered Coffee Maker

We have combined the superior taste of manual pour over coffee with the ease and convenience of a programmable machine. It's perfect for those who enjoy the true taste of coffee but want it delivered quickly and conveniently. The Verve range inspires everyday style and brings your kitchen to life with the elegant silhouettes in the textured design. The surface design is inspired by artisan pottery and age old ceramic traditions, the subtle indentations fade as it moves up the body of the appliance creating a highly tactile and intriguing look and feel.

- Coffee Strength Selector for your perfect strength coffee
- 'Pour Over' technology for controlled water flow
- Wake up to fresh hot coffee with the Programmable timer
- BPA Free

Inspired by artisan pottery and ceramics with elegant silhouettes providing a modern appearance
