

Wireless Personal Blender

With a ONE button operation, this high-speed blender with lithium battery can crush your favourite fruits into a smoothie in under a minute! Easy to clean with no complicated blade structure. Designed to last for 15 continuous blends before charging using the wireless charging base. The Personal Blender has multiple safety protection featuring auto power off when the lid is separated from the cup.

- Cordless and convenient for carrying
- Wireless charging base with USB charging cord for home or car
- Anti-slip jar sleeve and mat
- High grade stainless steel blade
- BPA Free

Introducing the new lightweight and portable solution to a healthy blend or juice. Have it anytime and anywhere... made FRESH!
