

Compact Bread Maker

A compact bread maker with 12 baking programs, including Gluten Free, lets you produce not only a variety of different breads but also doughs, jams and cakes. Choose between two different loaf size options and three crust settings before you watch as your bread is kneaded, rises and baked through the large viewing window and the non-stick bread pan means your bread can be easily removed.

- Removable kneading blade
- 2 loaf size options (700g and 900g) with adjustable crust control
- Bake bread & cakes and make your own dough & jams
- BPA Free

A compact design with a wide selection of programs and features, allowing you to create a variety of breads, dough and much more!!
