

# Compact Ice Maker

Constructed from hygienic, food grade stainless steel, the Morphy Richards Compact Ice Maker makes 9 ice cubes every 7 to 11 minutes depending on the water and ambient temperatures. Using the touch control panel, simply select the ice cube size you desire and press start. Easily monitor the water level through the viewing window and indicators show when the water level is low or when the ice box is full.

- 9 ice cubes every 7 to 11 minutes, depending on water and room temperature
- Make up to 12kg of bullet ice in a day
- R600a refrigerant - low GWP (Global Warming Potential)
- BPA Free

Delicious bullet shaped ice at a moment's notice for that quick chilled drink, at any time
