

Electric Foldable Food Warmer with Hot Plate

The Morphy Richards Electric Foldable Food Warmer with Hot Plate is a multifunction kitchen appliance designed to reheat, keep food warm and cook while you eat or prepare your meals. The slimline unit comes with high-quality heating elements in two large panels and a high temperature electric, ceramic hot plate in the centre for your cooking needs. The tri-folding space saving design makes it easy to store and can fit up to 5 dishes at once for a shared meal experience. The easy operation control box and easy to clean ceramic coated heating surface makes this a versatile portable cooking product.

- Two large warming panels (390 x 180mm)
- High temperature electric, ceramic hot plate (170mm)
- Easy to clean ceramic coated heating surface
- Suitable for most cookware
- Cool touch surface – 5cm from edge

The appliance you need when sharing a meal with many. Keep food warm and fresh all the time
