

# 15kg Ice Maker

Crafted from hygienic stainless steel for durability and cleanliness, the Morphy Richards Ice Maker is capable of producing 9 bullet-shaped ice cubes every 7 to 11 minutes and up to 15kg of ice per day. Its user-friendly control panel allows you to effortlessly select your desired ice cube size and start the ice-making process with ease. With a built-in viewing window, monitoring the water level is simple, while intuitive indicators notify you of low water levels or when the ice bin reaches full capacity. Perfect for home use or entertaining, the Morphy Richards Ice Maker ensures a steady supply of ice for any occasion.

- 9 ice cubes every 7 to 11 minutes, depending on water and room temperature
- 15kg of ice can be made in 24 hours
- R600a refrigerant - low GWP (Global Warming Potential)
- BPA Free

**Delicious bullet shaped ice at a moment's notice for that quick chilled drink, at any time**
